Put your sorrys with your tears
'Cause by now, well, I don't care
Save your hellos use your goodbyes
With you gone I'll live the good life

I'm gonna walk away
And live to love another day
I thought having gone
From you will be real hard
But to my surprise
I'm happy, oh, without you
It made me smile
To see you cry
After everything you put me through

Put your sorrys with your tears
'Cause by now, well, I don't care
Save your hellos use your goodbyes
With you gone I'll live the good life

I'm gonna walk away
And live to love another day
I thought having gone
From you will be real hard
But to my surprise
I'm happy, oh, without you
It made me smile
To see you cry
After everything you put me through

Put your sorrys with your tears
'Cause by now, well, I don't care
Save your hellos use your goodbyes
With you gone I'll live the good life

I'm gonna walk away
I'm gonna walk away
And live to love another day

Put your sorrys with your tears
'Cause by now, well, I don't care

Save your hellos use your goodbyes
With you gone I'll live the good life
