Chorus:

Here she comes

Being with you, is a touch of heaven, heaven
So I wanna be wherever you are
So I wanna be wherever you are

Being with you, is a touch of heaven, heaven
Being with you, is a touch of heaven, heaven
So I wanna be wherever you are
So I wanna be wherever you are

Ooh,
Here she comes
She takes me up
Way past the stars in the sky
way above the clouds, flying with the birds
she is an angel of mine

I know that heav
