Tic tic tac tac, tic tic tac tac
Fell in love, second zone, many tour I was on the
Tic tic tac tac, tic tic tac tac
We're gonna need forever.
Tic tic tac tac, tic tic tac tac
Fell in love, second zone, many tour I was on the
Click clock, tic-tac we're gonna need forever.

It might take forever and .. some
share all this love that I have for you
don't you know the world can't contain it
way over the limit my heart is over flowing gor you
It might take forever and .. some
To get all this love I wanna do a video,
Girl you know I 'll give all of my time to show you ..for
the ride
'cause a long time just ain't long enough
Forever .. strong enough
Many ... many too short
But I think I cut it down one word.

Chorus:
Infinity, infinity
That's how long is gonna be
We together you and me
Just like it was meant to be.
Infinity, infinity
Fight each other never ever
We're gonna make it do whatever
No one else could do us better.
Baby maybe we can take it slowly
Got nothing but time
I'll always be beyond it ...
Infinity, infinity

That's how long we're gonna be
Just like it was meant to be
For all the eternity.

..couple a lifetime baby for you in night
To finish with our love
'cause what we've got never ending

It's always extending, this is what we've dreamed of.
..growing on with each other
Do what I change right in front of eyes
'cause when we're together forever,
Don't seem like a very long time.

'cause a long time just ain't long enough
Forever .. strong enough
Many ... many to short
But I think I cut it down one word.

[Chorus:]

Tic tic tac tac, tic tic tac tac
Fell in love, second zone, many tour I was on the
Click click clack clack, tic tic tac tac
We're gonna need forever.
Tic tic tac tac, tic tic tac tac
Fell in love, second zone, many tour I was on the
I was in the click clock, tic-tac
We're gonna need forever.

[2 x Chorus:]
Infinity, infinity
Infinity, infinity
Infinity, infinity
