Sa la vie, Sayonara
Good bye, No tomorrow
I'm gone, this is over, we're lost, I don't want ya
anymore
Not at all, I'm better on my own
Cuz I can do bad by myself, why would I need your help
So I've cried my last tear for you
And baby you should know that we're so through
And it is over, totally over
I need you to know why, you got my last tear
Oh oh my last tear
Oh oh you got my last tear
Oh oh my last tear
Oh I've cried my last tear for you
All the lyin, fussin and fightin
I'm not cryin, this is my very last time
Tryin to make things better, keep us together
You can't get tears from my eyes anymore
Not at all, I'm better on my own
Cuz I can do bad by myself, why would I need your help
So I've cried my last tear for you
And baby you should know that we're so through
And it is over, totally over
I need you to know why, you got my last tear
Oh oh my last tear
Oh oh you got my last tear
Oh oh my last tear
Oh I've cried my last tear for you
I've filled so many oceans
I've filled so many rivers with my tears
I've almost drowned in my pillow
Why is it you never ever seemed to care?
I've cried my last tear for you
And baby you should know that we're so through
And it is over, totally over
I need you to know why, you got my last tear
Oh oh my last tear
Oh oh you got my last tear
Oh oh my last tear
Oh I've cried my last tear for you
