Riding in the drop top listening to tupac, riding in the drop top listening to tupac, riding my mercedes listening to jayz, listening to jay all day eh

Stress free, yes, we do not have no regrets, see, tomorrow isn't promise still we making plans for next week, head back feet up, turn my fucking beat up, scarface and the ghetto boys beating through my speaker, we got the hood yelling, fuck is you telling, ima live my life and let music get me through this recession,

I put on that biggie let the hood fill me, turn on my mary blidge wen my girl rides, turn up my fugees when I want something different, and ya can't tell me nothing especially when you, riding in the drop top listening to tupac, riding in the drop top listening to tupac, riding in the drop top listening to tupac, riding in the drop all day eh eh, riding my mercedes listening to jayz, riding my mercedes listening to jayz, riding my mercedes listening to jayz,listening to jay ay eh eh

Ask me what I be bumping when I'm up in my car, when my speakers beating satlar, big boi andre 3000 niqqas know that's my shit, or when I move to atlanta I was on that who u wit, sadly I needed my music just to get me through my day,It never really matters what the radio play, ruff ryder roc a fella, they made me who I am, that was detroit vise a versa oh shit that was my jam I put on that biggie let the hood fill me, turn on my mary blidge wen my girl rides, turn up my fugees when I want something different, and ya can't tell me nothing especially when you, riding in the drop top listening to tupac, riding in the drop top listening to tupac, riding in the drop top listening to tupac, riding in the drop all day eh eh, riding my mercedes listening to jayz, riding my mercedes listening to jayz, riding my mercedes listening to jayz,listening to jay ay eh eh
