

Rock City "Lonely"

Visit "[Lonely](#)" on MotoLyrics.com

Can You Hear Me?
Can You Hear Me Now?
Okay

Huh!
[Right about Now]...

[Verse 1]
Hey You, What's Up? What You Been Doin'?
'Nothin' Much'... But I'm Doin' Fine.
Besides The Fact That I'm By Myself
With No-one to Talk To, No-One to Smile
And It's Drivin' Me Crazy
Oh, Can You Save Me?
I'm Goin' Outta My Mind
Cuz It's Killin' Me Slowly,
Baby You Love Me,
Is Wounding Me Inside

[Hook]
Just Me and These Four Walls
Me and My Pillow,
Me Myself & I
Hearin' My Echo,
Me in the Mirror
Like I'm The Last Girl in Your Life...

[Chorus]
I'm Havin' Conversations with Myself in the House
My Shadow Sleeps Beside Me, (and I)
Cuz There's Nobody Here for Me to Love
Not Even To See Me Cry
I'm so Lonely, Lonely, Lonely, Lonely (Aahh)
Lonely, Lonely, Lonely, Lonely (Oohh)
I'm so Lonely, Lonely, Lonely, Lonely (Oohh)
Lonely, Lonely, Lonely, (Aahh)

[Verse 2]
You Talkin' To Me?
Well, I'm Kinda Sad,
I'm Kinda Lost, I'm Kinda Mad,
I'm Kinda Empty, I'm Kinda Hurtin' (Oohh)

Is Me, I Need To See A Sign Of Security
But See, I Believe I Can Be Like This Eternally

[Hook]

Just Me and These Four Walls
Me and My Pillow,
Me Myself & I
Hearin' My Echo,
Me in the Mirror
Like I'm The Last Girl in Your Life...

[Chorus]

I'm Havin' Conversations with Myself in the House
My Shadow Sleeps Beside Me, (and I)
Cuz There's Nobody Here for Me to Love
Not Even To See Me Cry
I'm so Lonely, Lonely, Lonely, Lonely (Aahh)
Lonely, Lonely, Lonely, Lonely (Oohh)
I'm so Lonely, Lonely, Lonely, Lonely (Oohh)
Lonely, Lonely, Lonely, (Aahh)

[Break]

See I Wonder How Loneliness
Became a Friend of Mine
Tick Tock, Tick Tock...
Maybe Cuz Times Workin' Against Me
And I Know It Aint Healthy
Can Somebody Cure Me (Oohh)

[Chorus]

I'm Havin' Conversations with Myself in the House
My Shadow Sleeps Beside Me, (and I)
Cuz There's Nobody Here for Me to Love
Not Even To See Me Cry
I'm so Lonely, Lonely, Lonely, Lonely (Aahh)
Lonely, Lonely, Lonely, Lonely (Oohh)
I'm so Lonely, Lonely, Lonely, Lonely (Oohh)
Lonely, Lonely, Lonely, (Aahh)

I'm Havin' Conversations with Myself in the House
My Shadow Sleeps Beside Me, (and I)
Cuz There's Nobody Here for Me to Love
Not Even To See Me Cry
I'm so Lonely, Lonely, Lonely, Lonely (Aahh)
Lonely, Lonely, Lonely, Lonely (Oohh)
I'm so Lonely, Lonely, Lonely, Lonely (Oohh)
Lonely, Lonely, Lonely, (Aahh)
