I know I can be a little stubborn sometimes
A little righteous and too proud
I just want to find a way to compromise
'Cos I believe that we can work things out

I thought I had all the answers never giving in
But baby since you've gone I admit that I was wrong

All I know is I'm lost without you
I'm not gonna lie
How my going to be strong without you
I need you by my side

If we ever say we'll never be together
And we ended with goodbye don't know what I'd do?
I'm lost without you, I keep trying to find my way
But all I know is I'm lost without you
I keep trying to face the day I'm lost without you

How my ever gonna get rid of these blues
Baby I'm so lonely all the time
Everywhere I go I get so confused
You're the only thing that's on my mind

Oh, my beds so cold at night
And I miss you more each day
Only you can make it right
No I'm not too proud to say

All I know is I'm lost without you
I'm not gonna lie
How my going to be strong without you
I need you by my side

If we ever say we'll never be together
And we ended with goodbye don't know what I'd do?
I'm lost without you, I keep trying to find my way
But all I know is I'm lost without you
I keep trying to face the day I'm lost without you

If I could only hold you now

And make the pain just go away
Can't stop the tears
From running down my face, oh

All I know is I'm lost without you
I'm not gonna lie
How my going to be strong without you
I need you by my side

If we ever say we'll never be together
And we ended with goodbye don't know what I'd do?
I'm lost without you, I keep trying to find my way
But all I know is I'm lost without you
I keep trying to face the day I'm lost without you
