Now baby girl there ain't nothing more than I can say
Y know by now I want it more than anything
If I walk away and just let you leave
You'll be stuck in my head like a melody

[BeyoncÃ©]

I know you want it (yeah)
I'm hesitating (why)
You must be crazy
I got a man, you got a lady

[Usher]

I know we here together
So this must be something special
You could be anywhere you wanted

[Pre-Chorus: Usher]

But you decided to be here with me
No coincidence
It was meant to be
Don't be shy

So you can tell all of your friends
You was on the remix like...

[Chorus: Usher]

Ladies can I put this love up on you
One time if you ain't scared say wassup

[Verse 2: Beyoncé (Usher adlibs)]
Baby you know I'd be down
But we can't have all these people starin' standin'

The way you touching me
Like no other (I'ma make you feel insane)
You trying your hardest to make me give in
But I'ma be down to give you what you want
And if you keep it up

I strongly doubt this velvet rope hold me up
And I don't won't security rollin' up on us (I got you)
I'm not hesitating I just don't wanna rush
You could be anywhere you wanted

[Pre-Chorus: Beyoncé]
But you decided to be here with me

[Verse 3: Lil Wayne]

Shawty wanna thug
It started with a hug
And her ass went like this
I gave her neck a kissy kiss
She gave my neck a kiss back
I say we cut through it like a stack
I mean we cut through it like a G
On the couch in V.I.P
Shawty we just get it on
I'm like shout out to the DJ
For playin this song
Girl we can act like 2 damn fools
And everybody think we doin a dance move
Call me so I can make it juicy for ya
Meet me in the bathroom
And you can be my secret lover...girl
And it started with a hug
And now were making love in this club
And were not gonna stop
Just because the people in the club are watchin' us
Cause we don't give a damn what they say
This is the remix baby

[Bridge: Usher & BeyoncÃ©]

[Usher]

Come a little closer
Let daddy put it on ya
Need you to know
What happens here stays here

[BeyoncÃ©]

Well I'm ready and willing

Mama's got to go
Gotchu standing that attention
Keep it on the low

[Usher]
Ain't nobody watchin
Don't worry they can't see us
I know I got you hot
Now let me in

[Beyoncé]
You in the club or the car
Where ever you are
Run and tell the DJ
Run it back on replay

[Chorus: Usher (Beyoncé)]
In this club
In this club
Ladies can I put this love up on you (Fellas can I put this

One time if you ain't scared to say wassup (One time if
