

Rock City "Making Love"

Visit "[Making Love](#)" on MotoLyrics.com

this is for all of my girls,
this is for all of my girls
girls, girls, girls!
this is for all of my girls,
this is for all of my girls
girls, girls, girls!
this is for all of my girls,
this is for all of my girls
girls, girls, girls!
this is for all of my

your body, all of my body
i donâ€™t plan on stopping iâ€™m gonna keep the bed
rocking!
all upon your ass, girl, like bed pockets
iâ€™m gonna leave you dripping like a water â€¦
brown skin looking like a cup of hot chocolate
and i just wanna sip, cause girl youâ€™re the hottest
hotter than the weather in the tropics
and i canâ€™t get enough, no, no!

bridge:
cause your love is so amazing,
and i swear that you really turned me on!
see, i want your bod, baby
cause when you do me right we canâ€™t go wrong!

chorus:
lights off, love making
clothes gone, legs shaking
no work, no sleep, all day, all week!
weâ€™re making love!
lips kissing all over your neck,
rubbing, touching, making youâ€¦
no work, no sleep, all day and night
weâ€™re making love!
weâ€™re making love!

ah, baby girl go and get ready
to fall on a â€¦ confetti
the way you put it on me,
got a nigger yelling

donâ€™t stop, get it, get it!
all youâ€™ve got is a shirt in your panties
hips donâ€™t lie cause your body is so banging
and i just wanna ride like an old school chevy
girl, you got me burning up, on!

bridge:

cause your love is so amazing,
and i swear that you really turned me on!
see, i want your bod, baby
cause when you do me right we canâ€™t go wrong!

chorus:

lights off, love making
clothes gone, legs shaking
no work, no sleep, all day, all week!
weâ€™re making love!
lips kissing all over your neck,
rubbing, touching, making youâ€¦
no work, no sleep, all day and night
weâ€™re making love!
weâ€™re making love!

baby i just wanna please
i really feel like i need to!
caressing you slow,
rubbing your thighs,
holding your clothes!
oh baby you
have become my addiction
and itâ€™s because you really got me feeling
trust, i ainâ€™t planning on leaving, no, no!

chorus:

lights off, love making
clothes gone, legs shaking
no work, no sleep, all day, all week!
weâ€™re making love!
lips kissing all over your neck,
rubbing, touching, making youâ€¦
no work, no sleep, all day and night
weâ€™re making love!
weâ€™re making love!
