You looking nice
Do you wanna ride miss
Come on hop inside this
I know you gone like this
I got something for you baby waiting back at my crib
Shawty your invited
Now are you excited
So just tell me what is it you wanna do
I got two rows in the back ?
But no one can fit in the back yeahh
But me and you
I can tell that your up for that
So lets just go in the back yeah

So shawty dont love me cause im flossin
Not cause i be ballin
Not because the jewels and nikes are really costly
You can ask a friend
My shawty different
I ask her why she love me and this is what she said

She said she love me for my whip
My candy paint drip
I pull up to the crib
She pull up to the ride and want me take her on a trip
My system beatin beatin down the block
and the neighbours think am i callin the cops
When i pull up in the whip
The candy paint drip
I pull up to the crib
She walk up to the ride and said to take her on a trip
My engine start heatin heatin up
Now shawty know im about to speed it up
When i pull up in the whip

She like the diamonds
And all of the fine things
But see there somethin bout that engine going vroom
vroom
That make her love me
Warm me up in public

Touchin Kissin Lovin and not thinking nothing of it
Thats so coool
She said she love me in the ferrari
but the gallardo send shocks through her body
After the love we sped on the high way
Going to my place

So shawty dont love me cause im flossin
Not cause i be ballin
Not because the jewels and nikes are really costly
You can ask a friend
My shawty different
I ask her why she love me and this is what she said

She said she love me for my whip
My candy paint drip
I pull up to the crib
She pull up to the ride and want me take her on a trip
My system beatin beatin down the block
and the neighbours think am i callin the cops
When i pull up in the whip
The candy paint drip
I pull up to the crib
She walk up to the ride and said to take her on a trip
My engine start heatin heatin up
Now shawty know im about to speed it up
When i pull up in the whip

First gear baby
Second gear baby
Third gear we speedin and now we gettin a little crazy
Oh i really wanna go faster with you
Come baby let it do what it do
___ tippin
Candy paint drippin
Hold on shawty man i think im slipping away
Cause you only love me when you ridin with me

She said she love me for my whip
My candy paint drip
I pull up to the crib
She pull up to the ride and want me take her on a trip
My system beatin beatin down the block
and the neighbors think am i callin the cops
When i pull up in the whip
The candy paint drip
I pull up to the crib
She walk up to the ride and said to take her on a trip
My engine start heatin heatin up
Now shawty know im about to speed it up
When i pull up in the whip
