I getta, cuppa tea & a muffin in the morning  
It helps me start my day, yeah  
Go outside make sure the cars running  
Cause I dont wanna be late  
I get to movin', to much to do an', I dont really have  
much time  
Text my girlfriend, see how she's doin'  
Then she replies she's fine  
Turn on my radio, turn up the stereo, I hear a song I like  
Get out of the driveway, go the the highway sayin'  
today's alright

On this  
Ordinary day and ordinary time with ordinary colors  
I'm just an ordinary guy and ordinary love with ordinary  
life  
On this ordinary day, ordinary time with ordinary colors  
She's no ordinary girl

It's five o'clock thank god I'm leavin'  
Because I've been at work all day  
Call up my girl make plans for the evening  
At our favorite place  
Get to movin', to much to do an', I dont really have  
much time  
Text my girlfriend, see how she's doin'  
Then she replies she's fine  
Turn on my radio, turn off the stereo, I hear a song I  
like  
Get out of the driveway, go the the highway sayin'  
today's alright

On this  
Ordinary day and ordinary time with ordinary colors  
I'm just an ordinary guy and ordinary love with ordinary  
life  
On this ordinary day, ordinary time with ordinary colors  
She's no ordinary girl

Now it may be an ordinary day  
But she's not ordinary to me

It seems she's extra ordinary  
She is all that everything that I need

On this  
Ordinary day and ordinary time with ordinary colors  
I'm just an ordinary guy and ordinary love with ordinary  
life  
On this ordinary day, ordinary time with ordinary colors  
She's no ordinary girl  
[x2]  
She's no ordinary girl  
But she's no ordinary girl
