You can get the people signing, cause we came to start
up trouble
We came to cause much problems
We came here to rebel, and turn up the world as well
Rebelutionary, we make all our rules ourselves and
ready
â€¦ fortune and ready to let it burn, let it burn, let it
burn

Rebelutionary, we make all our rules ourselves and
ready
â€¦ fortune and ready to let it burn, let it burn, let it
burn

Hot, rage, shot you down like a holiday â€¦
Hey, ring leader, everybody follow me, do whatever
rock say, make their day

Cause we came to start up trouble, we came to cause
much problems
We came here to rebel, and turn up the worlds as well
Rebelutionary, we make all our rules ourselves and
ready
â€¦ fortune and ready to let it burn, let it burn, let it
burn.
