With a body like a dime you should let me be your body  
guard,  
I swear baby girl you got it going on,  
I can't get you out my mind, girl,  
You're sort of like my favorite song,  
The feelings I may offer you is very strong

Shorty's like a melody,  
In my head,  
That I can't get out,  
Keeps me singing out,  
Na na na na, everyday(na na na na, na na na na),  
It's like my Ipods stuck on replay] 2x

Girl you make me pick up the phone and call up the  
radio,  
To request my favorite song,  
Can they play you all day long?| 2x
