All i want to say-ay-ay
Girl you send me cra-ay-zay
I don't know what to do
Girl it's true
I'm feeling for you
I don't want to play-ay-ay
Please don't be afray-ay-aid
Let me get in your shirt, in your skirt, give me work

Girl turn the lights off
Take your clothes off
Let start the show
My natures rising
To your surprising
It's all you want
Saying...

Pleasin' on the floor
He can never know
That's just the way i like it baby
We'll start at dawn
Go all night long
Girl i'll never let go oh!

I know that he loves you
But i want you so bad
This will be our secret
If you keep it I hope you can

No conversation
Just penetration
Here we go
As the nights get dim
come closer to me
You might well feel what your eyes can't see
All night pleasure make you moan and scream

Pleasin' on the floor
He can never know
That's just the way i like it baby
We'll start at dawn

Go all night long
Girl I'll never let go oh no!

I know that he loves you
But i want you so bad
This will be our secret
If you keep it I hope you can
