I can't wait to see you when I get there
See you when I get there
See you when I get there
All I want is you when I get there
See you when I get there

See you when I get there

Cause you even .. to know that day
All you keep sayin is you can't wait
I come home to you baby
And tellin me the things you wanna do
Got me so excited to see you again

Oh you got me goin crazy
All I talk is .. you ain't bafck it up
You ain't gotta say to mom and show me love
And I'll be gone all day
Baby promise I'm on my way

As soon as I get home
I will make it up to you
I do whatever you want to do
As soon as I get home
I will make it up to you
Baby I do what I gotta do

Like I'm being stopped every lie
Is like than Lord knows That Imma tryin
To get home to you
To do the things that I was do
And all I think about tonight
And having every little thing I like
For you
I hope every word you said to me it's true babe

Oh you got me goin crazy
All I talk is .. you ain't bafck it up
You ain't gotta say to mom and show me love
And I'll be gone all day
Baby promise I'm on my way
