Shortie you my ride or die no matter what you always  
be right by my side  
so you aint even gotta ask why, cause you're already  
know that im down for life

You was there when i had nothing,  
you're my shine-i-girl  
Even when i was grinding  
you were my shine-i-girl  
Ever since the beginning you've been my shine-I-girl

Even though they hate, Its the better day, anyway
