WORLD WIDE!!!...Right about now

I wanna say hey,(x6)
Oh can I say (hey!, hey!, hey!)

I been thinking bout you,
been dreaming bout you for for a very long time,
Oh baby just the way you be making me feel ain't felt in
a while,
The things you do and the things you say you know
they always make me smile,
Words cant explain it, I cant contain I need to let it out,

(Chorus)

...,
So with you my life feels better,
Leaving oh I will never,
This loves gonna last forever,
All I want and all I need is you,
You got me shook up shook up on your loving,
All my heart and all my love is for you,
You got me shook up shook up on your loving,
Im shook up on your loving(your love), Im shook up on
your love(your love), Im shook up on your love(your
love),
Shook up shook up on your loving,

Shook up shook up on your loving.

(Verse 2)

Cuz I been being patient,
But I thinks its about time for me to get mine,
My friends have all moved forward and I dont wanna

All I want and all I need is you,
You got me shook up shook up on your loving,
All my heart and all my love is for you,
