Woah! (woah!)

Woah! (woah!)

Woah!

Verse 1

All she left were tears on her pillow and a 4 page letter
that said I

Haven't been actin' the same

Was I surprised just a little,

Cause I know I wasn't tryin' and I told her I was willin' to
change

Pre-Chorus

Woah! (woah!)

I let my ego get in the way, took her for granted even
tho she was a, a good thing

This's probably for the best anyway cause she was
never appreciative

And so I say

Chorus

This is the sound of loneliness

This is the sound of

This is the sound of loneliness

This is the sound of loneliness

Verse 2

Can someone call me a doctor cause I'm lovesick for
her and I need to be resuscitated

(I can't breathe any longer)

And now I'm suffocated in my loneliness

And I don't know what I'm gonna do

Pre-Chorus

Woah! (woah!)

I let my ego get in the way, took her for granted even
tho she was a, a good thing

This's probably for the best anyway cause she was
never appreciative

And so I say

Chorus

This is the sound of loneliness
This is the sound of
This is the sound of loneliness
This is the sound of loneliness

Verse 3

All I wanna know why most times it's so hard for a man
to love
Won until she's up and gone and moved on leavin' me
singin' the sad love song

Chorus

This is the sound of loneliness
This is the sound of
This is the sound of loneliness
This is the sound of loneliness
