Just look at shawty go just look at shawty work  
Baby... so... losing mine where she walks by  
Where the... going in time she's hot t  
She be the only girl who takes me high

Chorus:

She takes me high high high  
She takes me high high high  
She takes me high, takes me high, takes me high high  
high  
She takes me high high high  
She takes me high high high  
She takes me high, takes me high, takes me high high  
high

Just look at shawty go just look at shawty work  
Baby... so... losing mine where she walks by  
Where the... going in time she's hot

She be the only girl who takes me high

Chorus:

She takes me high high high  
She takes me high high high  
She takes me high, takes me high, takes me high high  
high  
She takes me high high high  
She takes me high high high  
She takes me high, takes me high, takes me high high  
high

Just look at shawty go just look at shawty work  
Baby... so... losing mine where she walks by  
Where the... going in time she's hot  
She be the only girl who takes me high

[Chorus:]
