If you were with me all night,  
Would you kiss me all night?  
Would you touch me?  
Would you love me?  
Would you do me all night?  
Tell me if it's all right,  
Need to do it all night,  
I wanna know...

If you was with me all day,  
Would you want it all day?  
No sleeping in the morning,  
No work baby all day,  
All i wanna know is if you wanna be with me,  
I'm alone...

And i don't wanna nobody to hear us,  
We should turn up the music (Music),  
'cause baby once you get near me,  
I'm sorry,  
I think i'm going to lose it,  
Heyyy...

I wanna know what really turns you on,  
Now tell me if i'm wrong or i'm trying to figure out the  
things you like,  
I wanna know what i can do to please you,  
Yeah i know i tease you,  
But i think you like it so,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, Ah Ah Ah Ah Ah Ah,  
I wanna know...

If you was with me all week,  
Would you freak me all week?

Lock me up and throw away the key to keep me all  
week,  
Better so,  
Baby oh it sounds real good to me,  
I Like That...

And if you was with me all year,  
Would i get it all year?  
Would you spank me?  
Baby would you even pull my hair?  
I'm just wondering because i really like that there,  
I Really Do....

And i don't wanna nobody to hear us,  
We should turn up the music (Music),  
'cause baby once you get near me,  
I'm sorry,  
I think i'm going to lose it,  
Heyyy...

I wanna know what really turns you on,  
Now tell me if i'm wrong or i'm trying to figure out the  
things you like,  
I wanna know what i can do to please you,  
Yeah i know i tease you,  
But i think you like it so,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, Ah Ah Ah Ah Ah Ah,  
I wanna know...

Break it down,  
Break break it down,  
Just you and me now,  
From the bed onto the floor,  
Kitchen to the door,  
I'll give you what you want,  
But first...

I wanna know what really turns you on,  
Now tell me if i'm wrong or i'm trying to figure out the  
things you like,  
I wanna know what i can do to please you,  
Yeah i know i tease you,  
But i think you like it so,  
I wanna know,

Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, Ah Ah Ah Ah Ah Ah...

I wanna know what really turns you on,  
Now tell me if i'm wrong or i'm trying to figure out the  
things you like,  
I wanna know what i can do to please you,  
Yeah i know i tease you,  
But i think you like it so,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, oh, oh,  
I wanna know,  
Oh, oh oh, Ah Ah Ah Ah Ah Ah,  
I wanna know...
