Travis - Hook:

I know you didn't think that  
I would ever be the  
Person to treat you right  
I know you can see now  
I am the one  
That will always be by your side  
No one can ever  
Get in between what  
You and me have got  
L\*ve is so amazing boo  
And we so crazy cool

Verse 1:

I'm wanting you more and more  
It's turning into a need  
As if you where a drug  
For you I'm starting to fiend  
And even if I got my fix  
It's no way I'll be ok  
I'll still trip

Smile on ya face  
Got me in a place  
That I never ever wanna leave  
Tell me your in love wit me  
That's what I love to hear  
I Love ya company  
I aint going no where  
Oo u stuck wit me

I'm working hard  
Making sure live in luxury  
Was there when I was broke  
So money aint why u f\*ck wit me  
You don't bug when I'm out in clubs  
Doing shows And groupie hoes try to get me to plug  
Cause you know When I'm done  
Home is where I ll go

Never creep  
You can sleep Knowing I wont blow  
What we have

Chillin wit my baby boo  
I enjoys us I'm so glad we crazy cool

### Verse 3

U Tell me you my down girl I  
Et me know you got me  
I tell you this is my world  
But keep it for me mami

I give you what I can  
U speak I understand  
I let you know I love you  
I'm a always be ya man

We say a lot of things  
Good out way the bad  
You always give me something  
That I have never had  
Got me wearing smile  
Always feeling glad  
I use to always be down but now  
I'm rarely sad

Beauty  
Your truley a sweetheart  
In the streets we walk  
Look high  
Sparks fly  
We are

Just what I like to call proof that  
Love does exist  
It's a true fact

Last long  
Well  
Maybe true  
So far we doing great so it maybe true  
One thing I know for sure is my baby boo  
And I

Will stay lifetime  
Crazy  
Cool
