So before I say  
Hi  
I'm Jae  
I just wanna  
I just wanna - Bring u up to date  
I been writing for years  
Mostly poetry  
I'm inspired by people my fears woman and most of  
me  
I put it in songs  
What happened  
With people close to me  
I feel when I'm lost  
I find myself in the dopest beats  
My mothers name is robin  
She had me in new york  
Bronx lebanon I was 9 pounds 9 ounces  
The date was december 8th  
Year 1987  
Follow my progression  
After my conception

I was born in New York  
Raised in the bronx  
Moved to VA  
Moved back and forth  
NY  
VA  
Both places are special  
I could never choose  
That's the reason that I rep 2  
Both places played a major part in shaping my mind  
I am who I am today mainly because of my time  
Spent there

So yea  
Hi I'm  
Hi I'm  
Wait

Before I introduce myself by name  
Let me introduce my loses my gains  
An offset was when I was walking  
A guy started shooting  
I felt my upper arm hit  
Wrong place at the wrong time for walking  
He aint want me tho I wasn't really his target  
Lil graze  
Wasn't much  
Got on my way  
After a quick fix up  
I started moving Qp's  
Breaking down pounds of weed  
I got what you need no big stuff  
I got my jaw broke  
Stayed me but then  
I sorda stayed to myself and I owned 2 guns  
Became suicidal  
Wanted to kill the guy who  
Basically disrespected me  
Right in front of my high school  
Counseling didn't help me out  
Pill popping in large amounts  
Was supposed to kill me  
But it didn't so hear me

I was born In New York  
Raised in the Bronx  
Moved to VA  
Moved back and forth  
NY  
VA  
Both places are special  
I could never choose  
That's the reason that I rep 2  
Tried to take my life away  
After wanting to take his  
Before I introduce myself  
I just wanted to state this  
Hi I'm  
Hi I'm  
Hi I'm  
Hi I'm  
Wait

It's still a lil more to know

Obviously I spit you  
See I gotta flow  
Ralph hooked me up with villain  
He the reason I record yo  
Me and him clicked  
Ralph my brother  
Vill the bay bro  
I drink occasionally but I don't smoke  
If you offer me weed I'm a say no  
I like chicken wings  
Macaroni and cheese  
I can cook and I read  
Surprisingly  
I just got  
A library card  
A few months ago  
I listen to different music  
John mayer and plies are dope  
I take baths then I shower  
Lotion and I powder  
I don't have a girlfriend yet  
I haven't found her  
I like to sing even tho I can't  
I put 2 tracks on here and I'm singing  
Play em loud as you can  
I don't want to be famous but I want people to know me  
I want to work with pharrell  
I feel that he got some dope beats  
I don't wear BBC it's cool but I don't buy none  
Suhreal.com Drastiktactiks.com  
That's all you may see me in  
Or a white T  
Not into sports or X Box  
Every game you can beat me in and if I'm with a girl  
I'm not necessarily beating it son,  
Most things I do are unnecessarily done  
Except songs  
I record and all  
It's more to me but for now  
I guess all you should know is

I was born in NY  
Raised in VA  
Tried to kill myself but I survived and each day  
That I'm still alive I record more and more  
I always put my all only in each and every song  
My sense of humor crazy  
My vocals are amazing  
Ok I can't sing so what tho I'm a G (chuckle )  
Oh  
Hi I'm,

Hi I'm Jae
