Verse 1

Hey Ms. Thid-ang
I see how it does
Smile brighter then ya chiz-ain
I wanna talk but I'm kinda stuck in my lid-ane
Can't pull up plus you seem a bit up
Tight

I'm sitting in this car
Why?
Got me giving you the eye
Taking a few notes before I try
As I look atchu
I see how you handle guys
Back to back they walking up talking
But goodbye is the reply

I see
Ok
Either you got a man
They lame or you gay
One or more
Posted on the corner by the store
I'm thinking to myself I wonder watchu waiting for

Minutes go past
I'm still waiting
I'm a circle the block when I can
No faking
Cars start moving
I'm playing my new shit
You start looking
I'm looking back waving
Hey

(Hook)

She so gorgeous and hot like august
Got them dudes calling and she like

Hold That
Hold That
Hold That (Hold It NOW)

Hold That
Hold That
Hold That (Hold It NOW)

That's that lady that got em going crazy
And when they go crazy she be like

Hold That
Hold That
Hold That (Hold It NOW)

Hold That
Hold That
Hold That (Hold It NOW)

Verse 2

Finally out the backed block
Turn up a back block
Come around
Music loud
Turn it down

You still there and I park quick
Play cool go in the store cop chocolate
Excuse me let me get a twix please
Take a sneak peak real quick I see you aint leave

I stand outside and post up
Look over
You look and I look away they you say hold up
I know you aint just get that
Twix for you and not get me a kit kat
Jokes huh and then I'm laughing and acting all like
I aint come over here wit a plan to talk
Right

And standing here looking cute
Wont getchu no candy
How about a snickers
Then she smile and she say
Perfect candy when you not going any where for a
while,

Verse 3

We standing there talking
Getting better a acquainted
She waiting for her car that just got re painted
Moved up the block
The block type boring
I'm her new friend
From then she been calling

A cool girl
Former school girl
Just got her degree
Bout to take over the world

Like to do hair
Wanna open up a shop
Mind outta this world
I'm glad I circled the block

Got her head on strid-ate
Not independent
This women move major
Put neyo song to shid- ame

Chicks like damn
She think she the shit
But she already know

So she aint thinking shit and dudes that approach
Come wrong it's a diss
Worth more then some game
She be like what is this?

Now I understand
Some girls aint stuck up
They just want you to come with something more
Then a what's up

And when they go crazy she be like
