I'm runnin  
Not running away  
Promise I'll be back for you  
But I'm grinding just to pave us a way,  
A way to better days  
When we can leave this place  
Don't make this all for nothing  
I'll keep runnin

Verse 1:

Hey Mommy  
You getting older everyday  
So am I  
And I'm trying to really get paid  
So I can getchu a house  
Put turn tables inside  
So you can make a mixtape  
Whenever you feel like  
Go and make a mixtape

Do what you want  
No more working with jerks  
Getting on ya nerves  
Dealing with working a 2nd or a 3rd  
Job

What's going on now  
I can't be around  
It makes me lose focus  
Whenever I'm around  
All of the stress and drama you encounter  
Stresses me also  
I can't deal witcha problems

I know I should  
But I can't that's why I stay away  
When you call  
I ignore  
Cause I'm out getting paid

Saving money for what I hope is a better day  
Followed by better days then I'll stay  
Until then I'm a keep runnin  
I'm turning my back on you  
Until I succeed and make it  
I'm a keep running

(Hook)

I'm runnin  
Not running away  
Promise I'll be back for you  
But I'm grinding just to pave us a way,  
A way to better days  
When we can leave this place  
Don't make this all for nothing  
I'll keep runnin

Verse 2:

Hey Daddy,  
I just want to state this sentence  
We live in the same house but still so distant  
For instance  
I walk in  
You there chillin  
You don't say nothing  
Just hurting my feelings  
You call my phone asking where I'm at  
Nigga I aint home  
I'm out selling crack  
Bagged weed and all  
Writing everyday  
Working on these songs  
Chilling with some niggas I aint even know that long  
Feeling we closer then me and you are

Yea you got problems  
I understand  
I'm a do what I do and help  
Soon as I can  
In the mean time  
Don't talk man  
I'm a continue being the loser fuck up  
That you and mommy think I am  
And don't try to justify  
Why I feel what I feel  
This is how it is nigga  
I'm a keep it real  
I'm turning my back on you  
Until I succeed and make it

I'm running from you and wont stop  
Till I make it

(Hook)

I'm runnin  
Not running away  
Promise I'll be back for you  
But I'm grinding just to pave us a way,  
A way to better days  
When we can leave this place  
Don't make this all for nothing  
I'll keep runnin

Bridge:

Look yall the breath that I breathe  
The words that I speak  
The sight that I see  
The thoughts that I think  
The blood in my veins  
Lyrics in my rhymes  
Controller of my heart  
The reason I'm a alive

Sounds mest up  
Leaving you to deal  
Wit problems that you have alone  
I'm a keep it real  
I'm a son and a brother always but listen when I say  
Until I make I'm sorry  
I'm runnin away / Verse 3:

What up big brother  
It's ya lil brother  
I'm ya big brother  
Butchu bigger mahfucka

I don't call and when you hit me up I say I'm busy  
I feel bad cause I'm gone and I know you miss me

Please just listen  
I'm a say it once  
(Hey fat ass)  
Nah I'm playing but for real

The deal wit me is  
I'm trying to be the one  
That's gonna be the one  
To come and save the family

The one that make people bite they tongue cause they  
see me  
Justin  
Known as the fuck up  
Make it see  
You learn from school  
It's important  
Believe it  
I aint do it cause of music  
I felt I aint need it  
But look  
I'm doing things the hard way "Runnin"  
I don't wantchu to do what the song say  
I love you  
Just know I aint running from you  
Tho I'm runnin  
You the reason  
Yea I'm runnin for you

(Hook)

I'm runnin  
Not running away  
Promise I'll be back for you  
But I'm grinding just to pave us a way,  
A way to better days  
When we can leave this place  
Don't make this all for nothing  
I'll keep runnin
