I see your face cloud over like a little girls
Your eyes have lost their shine
You whisper something softly I'm not meant to hear
Baby tell me what's on your mind

I don't care what people say about the two of us from
different worlds
I love you so much that it hurts inside
Are you listening
Please listen to me girl

Can't we try just a little bit harder
Can't we give just a little bit more
Can't we try to understand that it's love we're fighting
for
Can't we try just a little more passion
Can't we try just a little less pride
I love you so much baby that it tears me up inside

I hear you on the telephone with god knows who
Spilling out your heart for free
Everyone needs someone they can talk to girl that
someone should be me

So many times I've tried to tell you
You just turn away (how did i know)
My life is changing so fast now
Leaves me lonely and afraid (don't be afraid)

Can't we try just a little bit harder
Can't we give just a little bit more
Can't we try to understand that it's love we're fighting
for
Can't we try just a little more passion
Can't we try just a little less pride
I love you so much baby that it tears me up inside

Don't let our love fade away (don't let our love fade
away)
No matter what people say (no matter no matter what
they say)
I need you more and more each day (don't let our love

fade away)

No matter what people say (don't matter no matter
what they say)

Can't we try just a little bit harder

Can't we give just a little bit more

Can't we try to understand that it's love we're fighting
for

Can't we try just a little more passion

Can't we try just a little less pride

Love you so much baby tears me up inside (it tears me
up inside)

Can't we try just a little bit harder (can't we try)

Can't we give just a little bit more (a little bit more)

Can't we try to understand that it's love we're fighting
for

Can't we try just a little more passion

Can't we try just a little less pride (a little less pride)

Love you so much baby tears me up inside (it tears me
up inside)

Can't we try just a little bit harder (can't we try...)
