Ah ah ah ah ah(4x)

I fell in love gave you my heart
You turned your back and walked out on me
I once was blind but now i see
And I'm so glad you set me free

I fell in love gave you my heart
You turned your back and walked out on me
I once was blind but now i see
And I'm so glad you set me free

It used to be mine
But now its gone away, gone away
A love so divine
And I used to think that I could not stand on my own
Something about the way,
You touched me baby, made me crazy.
But now that your on you way
Dont think for a second I want you to stay
so..

Baby dont flaunt it
Cuz i dont want it
Boy let me show you how its going down
Just keep on walking
Dont bother talking
I dont have no time to play around

I fell in love gave (I fell in love)you my heart
You turned your back and walked out on me(walked out
on me)
I once was blind but now i see(but now I see)
And I'm so glad you set me free

I used to be loved
But now im all alone, So all alone
And dont tell me how much you care,
Cuz when I needed you, you weren't there

Baby dont flaunt it

Cuz i dont want it
Boy let me show you how its going down
Just keep on walking
Dont bother talking
I dont have no time to play around

I fell in love gave (I fell in love)you my heart
You turned your back and walked out on me(walked out
on me)
I once was blind but now i see(but now I see)
And I'm so glad you set me free(and im glad you set
me free)(2x)
ah ha ah ha
I fell in love
La la la la la
I fell in love
La la la la la
I fell in love
La la la la la la
La la la la la la
La la la la la la

I fell in love gave (I fell in love)you my heart
You turned your back and walked out on me(walked out
on me)
I once was blind but now i see(but now I see)
And I'm so glad you set me free(2x)
