I had a dream of a love  
Envisioning you  
It was you  
You were all that I need  
Somehow you think  
That love involves more than two  
That ain't true  
At least not with me

And so I'll give you a minute  
To think about it  
Clear all the doubt from  
You're mind  
Don't waste my time  
Baby, don't try to play me  
I ain't a baby  
I may be younger  
I'm wise and I got my pride, so

If you don't see what I see  
By the time that I count to three  
I'm going to say bye - bye  
I'm giving you 1, 2  
What you going to do?  
If you don't see what I see  
How a love is supposed to be  
I'm going to say bye-bye  
Ain't no lie  
I'll do without you

Why do men think  
That one love ain't enough  
Me for you and you for me  
Because I need you  
To be true  
I'll give you  
My heart as long as you are faithful to me

And so I'll give you a minute  
To think about it  
Clear all the doubt from  
You're mind

Don't waste my time  
Baby, don't try to play me  
I ain't a baby  
I may be younger  
I'm wise and I got my pride, so

If you don't see what I see  
By the time that I count to three  
I'm going to say bye - bye  
I'm giving you 1, 2  
What you going to do?  
If you don't see what I see  
How a love is supposed to be  
I'm going to say bye-bye  
Ain't no lie  
And I'll do without you

I'll give you a minute  
To think about it

If you don't see what I see  
By the time that I count to three  
I'm going to say bye - bye  
I'm giving you 1, 2  
What you going to do?  
If you don't see what I see  
How a love is supposed to be  
I'm going to say bye-bye  
Ain't no lie  
And I'll do without you

1,2,3, oh

If you don't see what I see  
How a love is supposed to be  
I'm going to say bye-bye  
Ain't no lie  
And I'll do without you
