Sweetheart I can't stop thinking about you
You'll always be in my dreams
You'll always be in my dreams
You'll always be in my dreams
Never in my dreams
I thought I'd be with you
You're often on my mind
I'll always love you
When I close my eyes
just to see your face
I wish this were real
but I'm just dreaming
I can't believe that
this is all in a dream
I'm gonna wait to be
with you my love
I'll always love you
and want you more
I can't go on
without your love
In a dream my love
You will find my heart
In a dream my love
You will find my heart
In a dream my love
You will find my heart
In a dream my love
You will find my heart
OOOOO, what an angel
You have to be to be
You'd take me to heaven
Never leave never go away
Please stay with me tonight
I need you with me
Can't believe that
this is all in a dream
I'm gonna wait to be
with you my love
I'll always love you
And want you more
I can't go on without your love
In a dream my love

You will find my heart
In a dream my love
You will find my heart
In a dream my love(In a dream my love)
You will find my heart(you'll find my heart)
In a dream my love(In a dream my love)
You will find my heart(you'll find my heart)
you'll find my heart
