Baby I think about you all the time
Morning, noon, and night
Maybe I'll take you to my bedroom
And then I'll turn out the light

I know that we've been down this road before
But believe me never like this

One kiss and I'm yours
One kiss opened the door
And I need you in my life
One kiss and I'm yours
One kiss opened the door
Let me love you to the morning light

Baby you think I've got a dirty mind
The things I want to do
Maybe, maybe you got secrets of your own kind
You know I've got some too

I'm sure you've heard this song a thousand times
before
But never like this

One kiss and I'm yours
One kiss opened the door
And I need you in my life
One kiss and I'm yours
One kiss opened the door
Let me love you to the morning light

Now I know
That love can come
And love can quickly go
I'm not letting go
I'm not letting go
I won't let you go my love

One kiss and I'm yours
One kiss opened the door
And I need you in my life
One kiss and I'm yours

One kiss opened the door
Let me love you to the morning light

One kiss and I'm yours
One kiss and I'm yours
One kiss and I'm yours
One kiss and I'm yours

Just one kiss baby
Just one kiss honey
