PRAYING FOR AN ANGEL

ROCKELL

i been praying for an angel to come down from the
skies above,
i been praying for an angel to come and fill my world
with love,

everytime that i fall in love
im so afraid the love will never last
cuz i been hurt many times before
and i dont wanna relive the past
i sufer so much pain inside
reaching out to love that will never be mine
now its time to break each chains i feel
and share the love thats real

i been praying for an angel to come down from the
skies above,
i been praying for an angel to come and fill my world
with love,

theres so much love that i want to give
i know that holding back is wrong to do
now i walk with fait to carry on
till i find someone thats true
the old is gone and the new has come
my life i know has finally begun
i face the fact that i must be strong
to wait for the right one to come along

2x

i been praying for an angel to come down from the
skies above,
i been praying for an angel to come and fill my world
with love,
im fallin on my knees and ask for love that will never
end,
i been praying for an angel so i wont need a scene
again,
