Love is Blind
and now i see
and you know what
somebodys gonna do what you did 2 me

Verse 1

You took my heart
You threw it against the wall
And i sat here alone
Staring at the phone, but you dont call
Who do you think you're fooling?
Love aint a game to be played
My heart is empty
Like the promises you made
But now im getting stronger
And i dont need you any longer.

Chorus

It'll take time
Baby,wait and see
Somebody's gonna do
What you did to meee

It'll take time
Baby,wait and see
Somebody's gonna do
What you did to mee

ooohhh
ooohhh
ooohhh

(phone call)"Its my turn to have some fun, parties at my house tonight"

Verse 2

You think you're smart
Playing me all this time
But the game that you played
And the bed that you laid
Will haunt you in sweet time
Do you tell her all your stories?

Do you tell her all your lies?
Just like you told me,
Right before you said good-bye
But now im getting stronger
And i don't need you any longer.

Chorus
Repeat 2x
