There's another world inside of me that you may never see

There's secrets in this life that I can't hide

Well somewhere in this darkness there's a light that I can't find

Well maybe it's too far away or maybe I'm just blind
Maybe I'm just blind

So hold me when I'm here

Right me when I'm wrong

Hold me when I'm scared

And love me when I'm gone

Everything I am and everything in me

Wants to be the one you wanted me to be

I'll never let you down even if I could

I'd give up everything if only for your good

So hold me when I'm here

Right me when I'm wrong

Hold me when I'm scared

You won't always be there

So love me when I'm gone

Love me when I'm gone

When your education x-ray cannot see under my skin

I won't tell you a damn thing that I could not tell my friends

Roaming through this darkness, I'm alive but I'm alone

And part of me is fighting this but part of me is gone

So hold me when I'm here

Right me when I'm wrong

Hold me when I'm scared

And love me when I'm gone

Everything I am and everything in me

Wants to be the one you wanted me to be

I'll never let you down even if I could

I'd give up everything if only for your good

So hold me when I'm here

Right me when I'm wrong
Hold me when I'm scared
You won't always be there
So love me when I'm gone
Love me when I'm gone

Maybe I'm just blind

So hold me when I'm here
Right me when I'm wrong
Hold me when I'm scared
And love me when I'm gone

Everything I am and everything in me
Wants to be the one you wanted me to be
I'll never let you down even if I could
I'd give up everything if only for your good

So hold me when I'm here
Right me when I'm wrong
Hold me when I'm scared
You won't always be there
So love me when I'm gone

Love me when I'm gone
Love me when I'm gone
When I'm gone
When I'm gone
When I'm gone
