On the wrong side
We're on the wrong side
Guess you're not mine
On the wrong side
We're on the wrong side
Guess you're not mine
And I guess you never will

Living in perfect lie
Nobody ever makes you cry
Dreaming with open eyes
You don't heart
You wouldn't think it hurts
Starring in your life
Angel, I'm trying
To love you, to hate you
To kill you, to save you

Right behind the mirror
There's a wall
You'd goin' between them
But there is no door

Insane or a step from slightly mad
It's all in my head

You are my lover
You are my lover
You are my lover
Mister Drug Diller

And I wait for you
I wait for you
Wait for you, I wait for you
But it my love
Feels like I'm going to wait forever
And I wait for you
I wait for you
Wait for you, I wait for you
But it my love
Feels like I'm going to wait until

The end of time

I've only told you
That you're only thinking of yourself
I've only showed you
That I can't be no one else
And I've only know you
Only for a whileâ€¦
Someone hat told you
That I'd be with you
'Till the end of time
Mr. Drug Dealer!
You are my lover

silence
equals
death
Do You CARE?
