The sun is out,
But it's raining on me
I got my own cloud
She's beautiful
But she doesn't see,
My face in this crowd
She'll never know the way I feel
Way am I so, so invisible?

Oh,
Life I love you
Oh,
I really do
She walks away, yeah
Isn't life great?
Oh,
Life I love you

Life I love you

My drink is cold,
My cell phone is dead
And I'm all alone
I'm late again
The lights are all red
And nobody's home
She'll never know the way I feel
Way am I so, so invisible?

Oh,
Life I love you
Oh,
I really do
She walks away, yeah
Isn't life great?
Oh,
Life I love you

Life I love you, not
Life I love you, not

Woah-Oh,
Woah-Oh

Oh,
Life I love you
Oh,
I really do
She walks away, yeah
Isn't life great?
Oh,
Life I love you

Life I love you
Said life I love you
Said life I love you

Not
