I know that u belong to my best friend
but my love for u will never end
and my love for u could never end
do u ever feel me in the night,even when she thinks
everything's alright
but nothing's alright now
i want u,do u want me,i guess we never figured this is
just how love would be
he's my best friend and i can't lie,but just to kiss your
lips tonight i will surley die

i'm in love with my best friends boyfriend,and that's
the way i feel till the end of time
he's my best friends boyfriend,i wanna make him mine
i'm in love with my best friends girlfriend,and even
though i know it's wrong
i want her so badly,i had to write this song

i know u belong to my best friend,but i gotta have you
for so long he has been my one true friend
if u knew how much i love u it would be the end
i know,i don't wanna hurt him either
every single night i dream of u,to live without your love
so hard to do
and all my dreams are of u
i want u,do u want me,i guess we never figured this is
just how love would be
he's my best friend and i can't lie,but just to kiss your
lips tonight i will surley die

i'm in love with my best friends girlfriend,and even
though i know its wrong
i want her so badly,i had to wriye this song
i'm in love with my best friends boyfriend and that's the
way i feel till the end of time
he's my best friends boyfriend
i wanna make him mine
i don't want to,but i gotta take your man

i'm in love with my best friends boyfriend,and that's
the way i feel till the end of time
he's my best friends boyfriend,i wanna make him mine

i'm in love with my best friends girlfriend,and even
though i know it's wrong
i want her so badly,i had to write this song
