[Collage]

I see your face cloud over like a little girl's  
Your eyes have lost their shine  
You whisper something softly I'm not meant to hear  
Baby, tell me what's on your mind

[Rockell]

I don't care what people say  
About the two of us from different worlds  
I love you so much that it hurts inside  
Are you listening?

[Collage]

Listen to me, girl

[Both]

1 - Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try to understand  
That it's love we're fighting for  
Oh, can't we try just a little more passion  
Can't we try just a little less pride  
I love you so much baby  
That it tears me up inside

[Collage]

I hear you on the telephone with God knows who  
Spilling out your heart for free  
Everyone needs someone they can talk to  
Girl, that someone should be me

[Rockell]

So many times I tried to tell you  
You just turned away

[Collage]

How did I know?

[Rockell]

My life is changing so fast now  
Leaves me lonely and afraid

[Collage]  
Don't be afraid

Repeat 1

[Collage] Don't let our love fade away  
[Rockell] Don't let our love fade away  
[Collage] No matter what people say  
[Rockell] No matter, no matter what they say  
[Collage] 'cause I need you more and more each day  
[Rockell] Don't let our love fade away  
[Collage] No matter what people say  
[Rockell] No matter, no matter what they say

[Collage] Oh, oh, oh

Repeat 1
