It was a warm midsummer night  
He just came, made me feel alright  
For one look (Yeah, he's got the look)  
For one touch (She really wanted him so much)  
Then he grabbed his old guitar, began to play

He sang to me: "Nananana"  
So naturally it set my heart on fire  
He truly was my one desire  
Oh baby, how he was, nana nanana

He sang to me: "Nananana"  
My God, he couldn't get me any higher  
Was not supposed to be a liar  
But babe, that's what he was, nana nanana

What a warm midsummer night  
I just wanted him to hold me real tight  
For one look (Yeah, he's got the look)  
For one touch (She really wanted him so much)  
Then he grabbed his old guitar, began to play

He sang to me: "Nananana"  
So naturally it set my heart on fire  
He truly was my one desire  
Oh baby, how he was, nana nanana

He sang to me: "Nananana"  
My God, he couldn't get me any higher  
Was not supposed to be a liar  
But babe, that's what he was, nana nanana

For one look, for one touch  
Then he grabbed his old guitar, began to play

He sang to me: "Nanana"

He sang to me: "Nananana"

But baby, how he was
