Naina naina nanana nainaâ€
Naina naina nanana nainaâ€
Naina naina nanana nainaâ€
Naina naina nanana naâ€

Night falls, and darkness covers the light
Talkin' to shadows doesn't feel right
Three little birds leading my eyes
Their names are Hope, Love and Trust

Music is the only world for me
In my world we live in harmony
Music knows no creed or colour
Day by day, we'll live our dream

Music is the only world for me
In my world we live in harmony
Music knows no creed or colour
Day by day, we'll live our dream

Sadness is knockin' too many doors
Why are we buildin' rise in these woes?
Angels won't sing if we give in
If we give up our dream

Music is the only world for me
In my world we live in harmony
Music knows no creed or colour
Day by day, we'll live our dream

Music is the only world for me
In my world we live in harmony
Music knows no creed or colour
Day by day, we'll live our dream

Naina naina nanana nainaâ€

Naina naina nanana nainaâ€!
Naina naina nanana nainaâ€!
Nanana nainaâ€! heyâ€!

Music is the only world for me
In my world we live in harmony
Music knows no creed or colour
Day by day, we'll live our dream

Music knows no creed or colour
Day by day, we'll live our dream
