Verse 1

Take  
My life and  
Hold me back with it

My  
Advice is  
Lacking to commit

Last  
July wed  
Never come of this

Try  
And pain will  
Always fade a way

Ways  
Of mine will  
Collide with ill debris

Out  
Of time for  
Fixing you and me

Stars  
Wont grant you  
Any sympathy

Die  
There has to  
Be a better way

Chorus (Sub Melody)  
You are the voice that bleeds  
Violently Out of me  
And when its not enough  
Youll come and fill your cup

With all these poison tears  
Take me away from here

Adapt enough and you'll subdue  
Survive the things that you forgot to

Chorus  
I am claiming  
This cause for changing nothing  
I think you know what I mean  
(Repeat)

I hate goodbyes and goodbyes and goodbyes

Verse 2  
Take  
Your time and  
Don't believe the lies

My  
First words were  
Simply over sized

Last  
Thing I would  
Want would be your cries

Try  
And we can  
Make this fade away

Ways  
Of yours are  
Left to comprehend

Out  
Of things to  
Break or just to bend

Stars  
Are only  
Following your trend

Die  
If we should  
Let this fade away

Chorus (Sub Melody)  
You are the voice that bleeds  
Violently Out of me  
And when it's not enough  
You'll come and fill your cup

With all these poison tears

Take me away from here  
Adapt enough and you'll subdue  
Survive the things that you forgot to.

Chorus  
I am claiming  
This cause for changing nothing  
I think you know what I mean  
(Repeat)

Bridge (Outro)  
The most we can hope for  
Is all we can live for
