I know, you know
I can run you down, I can never tire
I know, you know
Nobody wants to get burned by a liar

I know, I know
I'm a number one victim, I'm a number one son
I know, I know
I'm draggin' you down, I'm draggin' you under

(Hey, man)
Gotta get away from this place, yeah
Gotta get away from this place, yeah
Gotta get away from this place, yeah
Gotta get away

I know, I know, I know, I know
I know, I know, I know, I know

I know, I gotta get away from here, yeah
I know, I gotta get away from here, yeah
I know, I gotta get away from here, yeah
Gotta get away

I know, you know
I'm a shark I never sleep, I'm totally wired
I know, you know
Like a tiger in a cage don't wanna be admired

I know, I know
You're my number one victim, you're under my stub
I know, I know
You're draggin' me down, we're both going under

(Hey, man)
Gotta get away from this place, yeah
Gotta get away from this place, yeah
Gotta get away from this place, yeah
Gotta get away

I know, I know, I know, I know
I know, I know, I know, I know
