That pig needs a warning  
We're out for blood  
Take down and jangle  
The cross ornament

It's not the one we asked for  
It's not the one we need

Savoir faire  
Savoir faire

Slammed to the pavement  
Chopped up for feed  
Strangled in an alley  
Steam on, steam on

It's not the one we asked for  
It's not the one we need

Savoir faire  
Savoir faire

Savoir faire  
Savoir faire

Oh  
Oh

Savoir faire  
Savoir faire

Savoir faire  
Savoir faire

Savoir faire  
Savoir faire
