I just ran into a few someone's today
Someone's that I never really knew
And I used to think how I had them all so figured out

But no, none of it's true 'cuz I never knew you
And now the truth of it is, is I wanna be like you
So hello, good friend, I wanna be next to you
For my head, for my heart, for it's true

So I'm burning the thoughts of the things that I once
said
Because you tore down the walls
That the world that has put inside my head
And I just get of sick of things that we think, we think
we know

And no, none of it's true 'cuz I never knew you
And now the truth of it is, is I wanna be like you
So hello, good friend, I wanna be next to you
For my head, for my heart, for it's true

So take me and save me and change me and then
make me
And embrace me and then brave my heart for you
No, no, 'cuz I can't go on without you
And it's time for something never knowing, oh

And no, none of it's true 'cuz I never knew you
And now the truth of it is, is I wanna be like you
So hello, good friend, I wanna be next to you
For my head, for my heart, for it's true

And as they as strolled along, my heart broke out in
song
From all the things and the thoughts
And assumptions that I had wrong

See now I'll be on my way to make this claim
I'll make it famous in everyway
I'll make it stay when I will save it

No, none of it's true 'cuz I never knew you

And now the truth of it is, is I wanna be like you
So hello, good friend, I wanna be next to you
For my head, for my heart, for it's true

No, none of it's true 'cuz I never knew you
And now the truth of it is, is I wanna be like you
So hello, good friend, I wanna be next to you
For my head, for my heart, for it's true
Oh, no, no, no

No, none of it's true 'cuz I never knew you
And now the truth of it is, is I wanna be like you
So hello, good friend, I wanna be next to you
For my head, for my heart, for it's true
