I took a picture of a girl I once knew
I kept it here in case I'd run into you
The look on your face could light up a room
But instead you left

And now I'm sitting with my head on the dashboard
Push my seat back and close my eyes
I had this dream that I was on an airplane
Afraid to fly
So I tipped my head to the side and
I whispered to this man that was in the isle
I said "do you know how long it
takes before we die?"
and then I rolled awake

Take me back to the person I used to be
when you were there for me
I know it seems like forever but do me this favor please
way back when we were stupid
n' held grudges just to help us sleep
oh my God, how ridiculous were we?

I stop your breathin every time I'm around girl
your body's sweatin' and your hands
start to shake
I know you can't control your eyes but
I know that your looks they are fake

So tease me once and I swear I'll forget how

it feels when you've got nothing left
Well take it slow and only work at it sometimes
oh yeah...

Take me back to the person I used to be
when you were there for me
I know it seems like forever but do me this favor please
way back when we were stupid
n' held grudges just to help us sleep
oh my God, how ridiculous were we?

Ohhhhhhhh, Ohhhhhhhhhhhh

Ohhhhhhhh, Ohhhhhhhhhhhh

I took a picture of a girl I once knew
I kept it here in case I'd run into you
The look on your face could light up a room
but instead you left and oh you left..

Take me back to the person I used to be
when you were there for me
I know it seems like forever but do me this favor please
way back when we were stupid
n' held grudges just to help us sleep
oh my God, how ridiculous were we?

Ohhhhhhhh, Ohhhhhhhhhhhh
Ohhhhhhhh, Ohhhhhhhhhhhh
