I feel alone in a world full of strangers
And I can't sit still.
'Cause this has been eating me
All for about 7 months, but only 5 remain
This year has gone by and I haven't moved
And I haven't said anything
The words can't find a way to leave my lips
Or leave me alone

Stay close, stay warm, stay here, stay here, oh please
I want you, I need you
Just tell me you wont leave
For heaven sake, will you just tell me?
I'm not the best at waiting
But I'll give it all I've got.

I'm the best and worst idea I think you've ever had
Just in case you don't believe me I've
Written everything on paper just confirm that you did
Say does that dumb word love mean anything?

By the way I miss your eyes
Miss your smile
And the way you used to wake me up
But now I'm falling down.

Stay close, stay warm, stay here oh please
I Want you, I need you
Just tell me you wont leave
For heaven sakes, will you just tell me?
I'm not the best at waiting
But I'll give it All I've got

Stay close stay warm stay here oh please
I Want you I need you
Just tell me you wont leave
For heaven sakes, will you just tell me?
I'm not the best at waiting
But I'll give it all I've got
