### Verse 1:

Have you heard about the new girl on the block, in a  
black out Benz?  
With the old school kicks, and her hipster friends, got  
a peace sign in hand,  
She's all you want and all you hated,  
Well dressed and overrated, some girls freak me out,

Well, Daddie's little girl knows how to party,  
She's singing "Pour Some Sugar On Me", she's well  
versed in the new pop-culture, always rolls with a  
camera by her side,

Well, some girls just freak me out

### Chorus:

She's the sweetest, the sweetest thing,  
But I know, she's no good for me,  
Gonna take you home, and take off your clothes,  
Baby I'm nothing but bad news,

### Verse 2:

Hooked up with the new girl on the block,  
Wonder where she's been,  
Now I'm laughing, drinking, with my friends,  
Body shots till the party ends, yeah,  
Did I clean up the mess?  
Just go to hell,  
Well, some girls just freak me out,

### Chorus:

She's the sweetest, the sweetest thing,  
But I know, she's no good for me,  
Gonna take you home, and take off your clothes,  
Baby I'm nothing but bad news,

### Bridge:

Some girls freak me out,  
Some girls freak me out,  
Some girls freak me out,  
Freak me out

Chorus:

She's the sweetest, the sweetest thing,  
But I know, she's no good for me,  
Gonna take you home, and take off your clothes,  
Baby I'm nothing but bad news,  
Nothing but bad news,  
She's the sweetest, the sweetest thing,  
But I know, she's no good for me,  
Gonna take you home, and take off your clothes,  
Baby, I'm nothing but bad news,  
Nothing but bad news,  
Baby I'm nothing but bad news,  
Nothing but bad news.
