You get lost on your way back home  
Just about anywhere  
You sing off key to the radio  
Like nobody's there  
And I love that your Sunday's best  
Is a holey pair of jeans  
And I don't stand a chance when you smile

Yeah, the longer that we're together  
The good keeps on getting better  
I never thought that I would ever  
Find someone like you  
And every day you show me I can  
Just when I think that I can't  
Love you any more than I do  
I do

You change your hair color every week  
Cause you're never quite sure of it  
And I know when you're mad at me  
Cause you tell me what I did  
And all I think is beautiful  
When I think of you  
And I still can't believe that you're mine

Yeah, the longer that we're together  
The good keeps on getting better  
I never thought that I would ever  
Find someone like you  
And every day you show me I can  
Just when I think that I can't  
Love you any more than I do  
I do  
I do

All I see is beautiful  
When I look at you

Yeah, the longer that we're together  
The good keeps on getting better  
I never thought that I would ever

Find someone like you  
And every day you show me I can  
Just when I think that I can't  
Love you any more than I do  
I can't love you any more than I do  
I do  
I do
