Iâ€™m screaming from my window
Like youâ€™re the street below
Iâ€™m waiting, Oh Iâ€™m waiting
Iâ€™ve waited oh so long
Canâ€™t we just lay on my roof
And watch the stars above our heads
This plan is oh so full-proof
â€™Cause youâ€™ll be mine once again
Oh youâ€™ll be mine once again [x2]

Second day hurts more than the first one
I canâ€™t pretend anymore
The nights are feeling so long
And I am all alone
Oh youâ€™ll be mine once again [x4]

I canâ€™t believe this
I wonâ€™t believe this
Seconds of waiting
You have been waiting
Now you are leaving
No I wonâ€™t believe this
Oh I wonâ€™t believe this [x3]
