They kiss like it's going out of style  
They never leave without a smile  
She cries and he wipes her cheeks  
He melts whenever she speaks  
Her voice is soft just like the wind  
She lifts her head up and holds her chin  
Up so it's facing toward the sky  
She'll never let time pass her by  
[She never lets time pass her by x3]

I wrote this song in the tempo of your windshield wipers  
So when it's raining, you won't forget his name  
[You won't forget his name x2]

These stars won't replace the colors of your eyes  
We won't stand for this x2  
[These stars won't replace the colors of your eyes]

I wrote this song in the tempo of your windshield wipers  
So when it's raining, you won't forget his name  
[You won't forget his name x4]

I wrote this song in the tempo of your windshield wipers  
So when it's raining, you won't forget his name  
[You won't forget his name x2]
