

## A Rocket To The Moon

### "Wherever You Go"

Visit "[Wherever You Go](#)" on [MotoLyrics.com](http://MotoLyrics.com)

An hour away from home  
And time's never felt this slow  
It feels like a week ago  
Do you feel it too?

I bet you went back to bed  
My pillow beneath your head  
Repeat the last words I've said  
"I miss you"  
You're all I need  
So fall back to sleep

Wherever I go, wherever I'll be  
Oh, I just hope that you're thinking 'bout me  
And that you don't  
Doubt my love or feel lonely  
Wherever you go, whatever you see  
You're not alone, you never will be  
Oh, baby, just know  
Wherever you go is where I'll be

I saw you in Thompson Square  
The wind playing in your hair  
And then down in Dallas where  
You've never been

And now everywhere I go  
It feels like I'm coming home  
I'll see you in a month or so  
But until then  
You're all I need  
And all I see

Wherever I go, wherever I'll be  
Oh, I just hope that you're thinking 'bout me  
And that you don't  
Doubt my love or feel lonely  
Wherever you go, whatever you see  
You're not alone, you never will be  
Oh, baby, just know  
Wherever you go is where I'll be

Wherever I go, wherever I'll be  
Oh, I just hope that you're thinking 'bout me  
And that you don't  
Doubt my love or feel lonely  
Wherever you go, whatever you see  
You're not alone, you never will be  
Oh, baby, just know  
Wherever you go is where I'll be  
Oh, baby, just know  
Wherever you go  
Is where I'll be
