She said she moved to southern cal cause she had

She looked like a model, in way booty swollen  
She love that I'm thugging, she got a nigga open  
She talk a nigga listen, she need a better position  
She went down and songs, of that later baby so I was

She ran back to her best friend, she knew it then she

She fine too but I like her  
But she says she excites her  
I said it's so enticing, both of y'all I'm inviting  
To get some of this pipin  
But she said she don't like me  
She did admit I was handsome,  
Her friend start to undress and

So girl stop being on that bullshit

Now I met this new chick, baby so exclusive  
She said she's tired of lame casts  
It's time to try some new shit  
She say she got a home girl  
And that bitch is so thick  
All she like is kitty cat, and she ain't fucking with no  
dick  
I bet I can change that  
Pussy we arrange that  
It's weekend ever the kick back  
Watch girl she gonn get that  
Break her off like a kit kat  
She gonn be like you did that  
We finally met and she so fine  
Thinking like she so mine  
I asked her can I have a dance  
And baby started that slow grind  
She got close and felt the dick  
Turned around like oh mine  
She whispered like you cute and all  
But I ain't down with no guys  
But can I watch you with your best friend  
And baby like she don't mind  
I stripped down to my boxer briefs  
She wear her first like a soccer team  
Ate that thing like I forgot to eat  
Love the way she popping e
